### Ermysted's Grammar School

The Governing Body of Ermysted's Grammar School (the 'School') ratified this policy on **15 June 2026**.

This Privacy Notice has been written to inform applicants to the School and their parents<sup>1</sup> about what we do with their personal information. This Notice may be subject to change.

#### Who are we?

Ermysted's Grammar School is a **Data Controller** as defined by Article 4 (7) of the General Data Protection Regulation (GDPR). This means that we determine the purposes for which, and the manner in which, your personal data is processed. We have a responsibility to you and your personal data and will only collect and use this in ways which are compliant with data protection legislation.

The **Data Protection Officer (DPO)** is **Veritau**. The role of the DPO is to ensure that the school is compliant with GDPR and to oversee data protection procedures. The DPO's contact details are: 01904 554025 and [schoolsdpo@veritau.co.uk](mailto:schoolsdpo@veritau.co.uk)

#### What information do we collect?

##### *For the purposes of registering to be tested*

The categories of information that we collect and hold for candidates registering for the Entrance Test include the following:

- Personal information of candidate (e.g. name, gender, DOB, home address, school, and any photo of their likeness that is provided with their application)
- Personal information of parent (e.g. name, contact telephone numbers and email)
- Special category information (Education Health and Care Plan status, medical information, details of any Special Educational Need, Pupil Premium status, and religion of any candidates who are unable to sit the Entrance Test on Saturdays)

We may also collect personal information in the form of audio recordings and images. Telephone calls to and from the school are recorded for training and monitoring purposes. Images are collected via the Visitor Management system and are also recorded by the school's CCTV system. The use of CCTV footage is covered by a separate **CCTV Policy**.

##### *For the purposes of applying to the School*

If more applicants to the School reach the required standard than there are places available, then the places will be allocated according to the Year 7 Entry oversubscription criteria (see the **Admissions Policy** for details). Therefore, in the course of processing applications to the School, we may need to collect additional information from some applicants.

In order to be able to apply the oversubscription criteria, the School must be informed of applicants who qualify for priority. This is achieved by the parents concerned submitting a Supplementary Information Form ('SIF') and including the necessary information and supporting evidence. The SIF needs only to be completed by applicants who wish to provide information intended to demonstrate that their child has priority under one of the oversubscription criteria.

The additional categories of information that we **may** collect and hold for applicants include the following:

---

<sup>1</sup> Throughout this policy, the word **parent** includes all who hold parental responsibility (in law) for a child..

- Name and date of birth of any sibling already attending the School
- Looked after or Previously Looked After status
- Pupil Premium eligibility
- Residency of the candidate (a variety of documents could be used for this purpose, please see the **Admissions Policy** for full details).
